Release of Liability

Working with horses can be dangerous whether riding, driving, leading or just grooming. Horses are large strong animals with the ability to take unpredictable actions that can result in serious injury to the owner of the horse and others. Whether in an enclosed arena or in open country, many things, including other animals, insects, motor vehicles, hikers, weather changes, rain, snow, mud, loose stones, lightning, thunder, hunters, and other things too numerous to mention can contribute to situations which can result in injuries.

I understand this clearly and agree that I will not hold Sovereign Hilltop and/or it's agents responsible for any injury I may sustain while riding or otherwise using the facilities of Sovereign Hilltop. I further agree that I will indemnify and hold Sovereign Hilltop and/or it's agents harmless of any claims that may arise from my riding or other use of the facilities of Sovereign Hilltop. I fully understand Sovereign Hilltop cannot permit me to ride or use it's facilities without my first reading, understanding, and signing this release.

1. I wish to use the facilities of Sovereign Hilltop and to engage in activities with my horse and other horses at Sovereign Hilltop.
2. I am willing to assume all responsibility for injuries I may sustain as well as injuries I may cause to others while engaging in activities and using the facilities of Sovereign Hilltop.
3. I am over the age of 18 and of sound mind and acting freely.
4. I have read and understand and agree to the conditions of this release.
